Signed 

Date 1 July 2024

Chief Inspector of Primary Produce Safety

Accreditation Number: **EXP716**

## **SCHEDULE 1**

### **Conditions of Accreditation**

1. The accredited producer must comply with the Meat and Poultry Food Safety Scheme in respect to meat, poultry and game processing and the primary production of meat.
2. Each activity authorised by this accreditation must be undertaken in accordance with an approved food safety program.
3. Subject to conditions 1 – 2 above, the primary production activities authorised by this accreditation are to be undertaken at the following premises or place –
  - (a) the business address and site location(s); and
  - (b) in respect to the transport of meat and meat products, anywhere within Australia.
4. The accredited producer must allow an approved food safety auditor to enter any premises or place referred to in condition 4, or in any vehicle being used for the transport of meat or meat products by the accredited producer, to conduct audits required under the Act.
5. The accredited producer must pay, in accordance with the requirements of the Chief Inspector, the reasonable costs and expenses associated with audits conducted under the Act.
6. Meat and meat products produced under this accreditation must be branded in accordance with Schedule 2, using the official mark and official marking device issued by the Chief Inspector for all accredited species.

## SCHEDULE 2

### **Official Marks and Official Marking Devices (Meat)**

#### **1. Official marks (Meat and Meat Products)**

The official mark used in respect to meat and meat products –

- (a) is in the shape of an outline of Tasmania with a height of 40 millimetres and a width of 40 millimetres; and
- (b) contains the letters 'TAS' with a height of 8 millimetres and a corresponding width within the top half of the outline referred to in paragraph (a); and
- (c) contains the accreditation number of the accredited producer with a height of 8 millimetres and a corresponding width within the bottom half of the outline referred to in paragraph (a).

The official mark used in respect to pet food -

- (a) is in the shape of an outline of Tasmania with a height of 40 millimetres and a width of 40 millimetres; and
- (b) contains the letters 'TAS' with a height of 8 millimetres and a corresponding width within the top half of the outline referred to in paragraph (a); and
- (c) contains the accreditation number of the accredited producer with a height of 8 millimetres and a corresponding width within the bottom half of the outline referred to in paragraph (a).

#### **2. Branding of meat, meat products**

- (a) The carcass of any abattoir animal or game is to be branded with the official mark after passing final post-mortem inspection.
- (b) A cut of meat (other than poultry meat) weighing more than 2 kilograms that is –
  - i. not subject to any further processing is to be branded with the official mark before it leaves the business address; or
  - ii. vacuum packaged is to have the official mark applied to, or inserted in, the vacuum package before it leaves the business address.
- (c) An official mark must be branded or applied so as to be legible.

#### **3. Reproduction of official mark**

An official mark or official marking device issued for an accreditation by the Chief Inspector must not be reproduced, or otherwise used in a manner inconsistent with this Schedule, without the written approval of the Chief Inspector.

#### **4. Return of official marking device**

An official mark and official marking device issued by the Chief Inspector for an accreditation is, and remains, the property of the Tasmanian Government, and must be returned to the Chief Inspector within 14 days of the accreditation being revoked, suspended or surrendered.
